PUBLIC INPUT

The public may provide public comment by attending the meeting in person, by sending an email, or by logging into the teleconference. Please [email the Public Works Department](mailto:publicworks@diamondbarca.gov)

(publicworks@diamondbarca.gov) by 4:00 p.m. on the day of the meeting and indicate in the Subject Line "FOR PUBLIC COMMENT." Written comments will be distributed to the Traffic and Transportation Commission and noted for the record at the meeting. Please note that the meeting will proceed at Diamond Bar City Hall – Windmill Community Room should comment by teleconferencing become infeasible due to an internet or power outage or due to technical problems outside the City's control. If you wish to make certain that your comments are heard, please attend the meeting in person or send an email by 4:00 p.m. on the day of the meeting/hearing.

Speakers are limited to five (5) minutes per agenda item, unless the Chairperson determines otherwise. The Chairperson may adjust this time limit depending on the number of people wishing to speak, the complexity of the matter, the length of the agenda, the hour and any other relevant considerations. Speakers may address the Traffic and Transportation Commission only once on an agenda item, except during public hearings, when the applicant/appellant may be afforded a rebuttal. Any materials to be submitted to the Traffic and Transportation Commission at the meeting should be submitted through the Administrative Coordinator.

Public comments must be directed to the Traffic and Transportation Commission. A person who disrupts the orderly conduct of the meeting after being warned by the Chairperson or the Chairperson's designee that their behavior is disrupting the meeting, may result in the person being removed from the meeting.

TRAFFIC AND TRANSPORTATION COMMISSION AGENDA REPORT

TO: Chair and Members of the Traffic and Transportation Commission

FROM: David G. Liu, Public Works Director/City Engineer

SUBJECT: Updates on Various Projects/Programs

RECOMMENDATION:

Receive and File

BACKGROUND/DISCUSSION:

A. Area 4 Residential, Collector and Arterial Paving Improvement Project

The contractor has since completed the work within the Area 4 residential area and has started preliminary work on the arterial streets. Main arterial construction is now scheduled for mid-September due to delays associated with the Caltrans rider permit process and material availability. Project completion is anticipated in early October 2025.

B. CDBG Area 5 Residential ADA Curb Ramp Improvement Project

The CDBG Area 5 Project has been completed, with six (6) new ADA-compliant curb ramps constructed in the Golden Springs Elementary School neighborhood. A Notice of Completion has been filed.

C. SR-57/60 Confluence Improvements Project

Construction for the SR-57/60 Interchange Improvements is progressing. As part of the ongoing project, the existing eastbound SR-60 Grand Avenue off-ramp was permanently closed, and the newly constructed off-ramp opened on Tuesday, August 26th. Please see the attached construction update provided by SGVCOG.

This milestone moves the Project one step closer to a brand-new Grand Avenue bridge and a fully reconfigured on- and off-ramp system designed to enhance mobility, safety, and access for drivers and the local community.

The demolition work on the Grand Avenue bridge will begin soon. This work will require overnight closure of Grand Avenue, a full closure of both eastbound and westbound lanes on SR-60, and multiple on- and off-ramp closures on the evening of September 27th.

A Special Presentation, prepared by the SGVCOG staff, has been scheduled for the next City Council meeting on September 16th.
